

Association for Communication in the Public Sector (AKVS)
cordially invites you to the

AMERICAN ELECTION NIGHT 2008

Join us to follow the counting of ballots during the US Presidential Election of 2008!

The election party will take place in a welcoming bar in the middle of Prague's Old Town. Together we will watch live election news reports on an American TV channel. Those willing to stay longer can enjoy a unique atmosphere of seeing a state after state getting blue or red and speculating over the rising numbers of Electoral College members for each candidate.

All this will happen in an informal and relaxed circle of Prague's Expats Community, Czech and foreign diplomats, journalists etc.

When?

Tuesday, November 4, from 8 p.m. to early morning hours

Where?

Bar Krásný ztráty, Náprstkova 10, Prague 1
